## LET US TAILOR A FUNDRAISING FUNCTION TO SUIT YOUR NEEDS!

Turn over for more information.

A **movie** fundraiser is a fun, lucrative and proven way to raise funds for your school, kindergarten, sporting club or Charity organisation.

# Let us tailor a fundraising function to suit your needs!

We can create almost any form of fundraising event from Advance Screenings, Chicken & Champagne Suppers, special Candy Bar Combos or even raffles.

Simply book a date and movie of your choice.

Our price per ticket is discounted to $8.50 per ticket for groups under 100 or $8.00 per ticket for groups over 100. Your organisation can then on-sell the tickets at a price decided by you. You can raise even more funds by including a either small Popcorn and soft drink Combo for an extra $8 per person or a kids sized soft drink and Popcorn for $5.

Ask us for a menu to be emailed to see our comprehensive range of gourmet suppers, nibbles and finger food packages.

Please note a minimum of 20 tickets are required for a group booking. School groups may book with a minimum of 10 tickets.

**EXCLUSIVE CINEMA HIRE FOR CORPORATE EVENTS**

Our cinemas can be hired exclusively for groups wanting top run presentations, product launches or to just provide their guests to the luxury of a private screening. Exclusive hire means that you can conduct speeches and audio/visual presentations prior to the screening.
